

**5th Workshop on the Terminology in Developmental Toxicology,  
Federal Institute for Risk Assessment Berlin, Germany**

**Date:** October 27-29, 2005

**Location :** Institute of Clinical Pharmacology and Toxicology, Charité University Medical School, Berlin, Garystrasse 5, D-14195 Berlin

**October 27, 2005 (Thursday)**

- |                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>03:30 – 03:45</b>      | <b>Welcome</b>                                                                                                           |
| <b>03:45 – 04:45 p.m.</b> | <b>Regulatory Toxicology<br/>(Chair: Wolfgang Lingk)</b>                                                                 |
| 03:45 – 04:15 p.m.        | Need for harmonized terminology future strategy of chemical regulatory toxicology in Europe<br>(Wolfgang Lingk)          |
| 04:15 – 04:45 p.m         | Introduction to the current European proposal for harmonization of nomenclature (Jochen Buschmann)                       |
| <b>04:45 – 05:45</b>      | <b>Thalidomide - An update</b>                                                                                           |
| 04:45 – 05:45             | History and current use of thalidomide<br>(Francisco Paumgarten)                                                         |
| <b>05:45 – 06:00 p.m.</b> | <b>Summary of previous activities for harmonization of terminology in developmental toxicology<br/>(Ibrahim Chahoud)</b> |
| <b>From 06:00 p.m.</b>    | <b>Welcome Reception</b>                                                                                                 |

**October 28, 2005 (Friday)**

**08.30 –11:00 a.m.                    ETS: European Proposal for Terminology in  
Developmental Toxicology – Presentations and  
Discussion (Chair: Jochen Buschmann)**

08:30 – 09:00                    General Terms and Proposals (Ruth Clark)

09:00 – 09:30                    External Findings (Stephane Barbellion)

09:30 – 10:00                    Soft Tissue Findings (Steffen Schneider)

10:00 – 10:30                    Skeletal Findings (Konstanze Grote)

10:30 – 11:00                    Further Procedure (all)

**11:00 a.m. – 01.00 p.m.            Exercise: European Proposals for Variation /  
Malformation scheme (Chair: Ibrahim Chahoud)**

11:00 – 11:30                    Classification of new external observations  
(Francisco Paumgarten)

11:30 – 12:00                    Classification of new skeletal observations  
(Konstanze Grote)

12:00 – 12:30                    Classification of new soft tissue observations  
(Steffen Schneider)

12:30 – 01:00                    Plenary discussion (all)

**Lunch**

**October 28, 2005 (Friday)**

**02:00 – 03:30 p.m.**

**Technical Considerations  
(Chair Ruth Clark)**

02:00 – 02:20

Practicality of Cross References (Ruth Clark)

02:20 – 02:40

Does IFTS-Terminology cover all possible findings in 2-  
Generation- and developmental toxicity studies?  
(Beate Ulbrich)

02:40 – 02:50

Findings of abnormalities in Charles River Wistar rats in Hun-  
gary (Alice Druga)

02:50 – 03:00

Maternal / Fetal Findings (Jochen Buschmann)

03:00 – 03:30

Plenary discussion (all)

**03:30 – 04:30 p.m.**

**Terminology in Developmental Toxicology**

03:30 – 03:45

Current status in Japan (Kohei Shiota)

03:45 – 04:00

Current status in China (Zu-Wei GU)

04:00 – 04:15

Current status in USA (Susan Makris)

04:15 – 04:30

Discussion / Conclusion

**04.30 p.m.**

**Meeting of the Steering Committee**

**08:00**

**Joint Dinner**

**October 29, 2005 (Saturday)**

**09:00 – 12:00 a.m.**

**AOB (Chair: Roland Solecki)**

09:00 – 09:20

An overview of IPCS activities on harmonisation of risk assessment methodology (Ursula Gundert-Remy)

09:20 – 09:40

Consideration of potency in classification and in the derivation of allowable concentrations in preparations of substances toxic to reproduction (Aldert Piersma)

09:40 – 10:00

Globally Harmonized System (GHS)- General Overview (Thomas Gebel)

10:00 – 10:20

Globally Harmonized System (GHS)- OECD overview on the last revision for reproductive toxicity (Laurence Musset)

10:20 – 10:40

Draft of OECD TG 426 and Guidance Document 43 on Developmental Neurotoxicity (Martina Rauch)

10:40 – 11:00

Overview of the DevTox Project (Data Base) (Jochen Buschmann / Roland Solecki / Konstanze Grote)

11:00 – 11:20

Main conclusions from the Steering Committee (Ruth Clark)

11:20 – 12:00

Plenary discussion on further activities (all)

**12:00**

**End of the workshop**
